

una ventana um labirinto

una ventana um labirinto

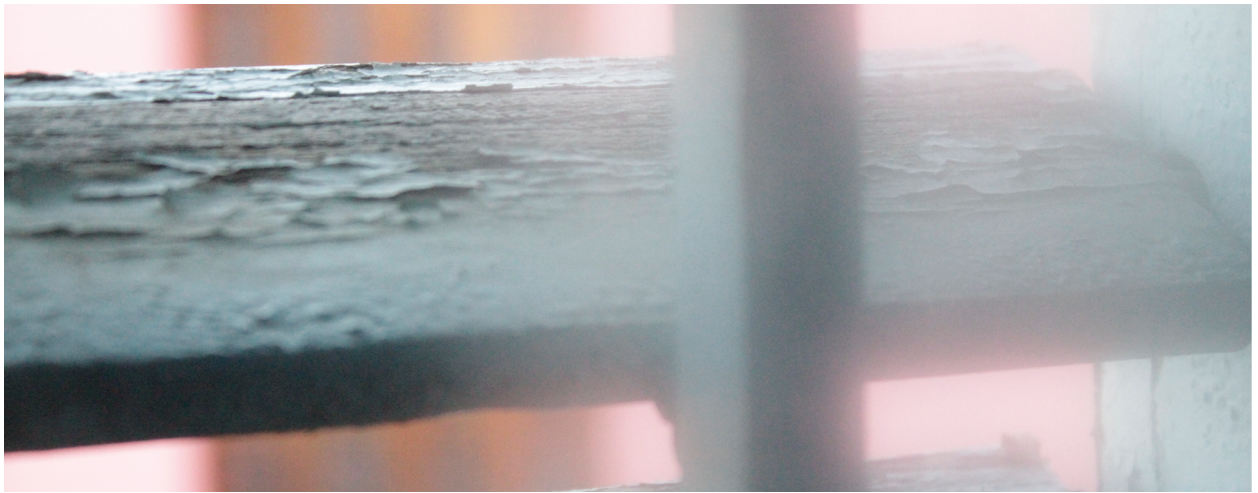

será só uma linha

sem tocar

diferentes mundos  
um desvanecer entre o rosa e azul

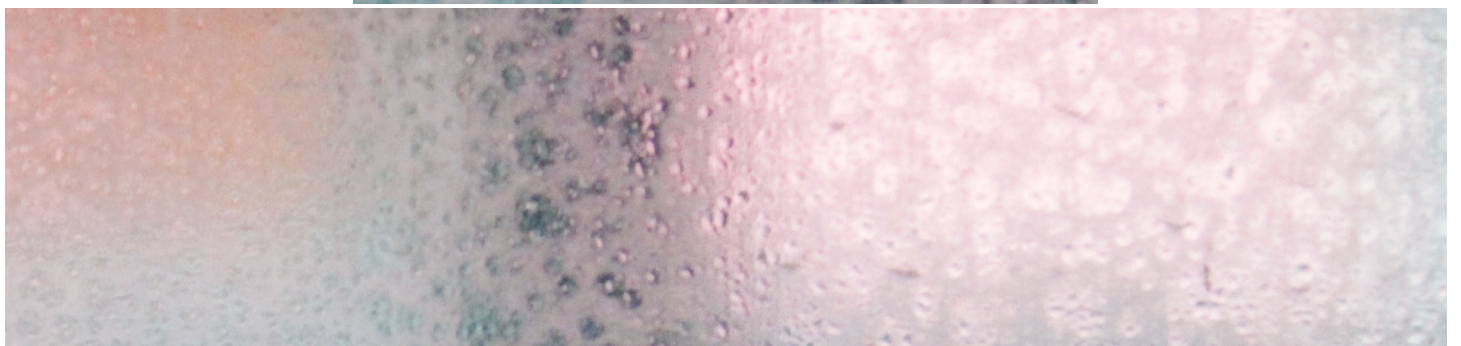

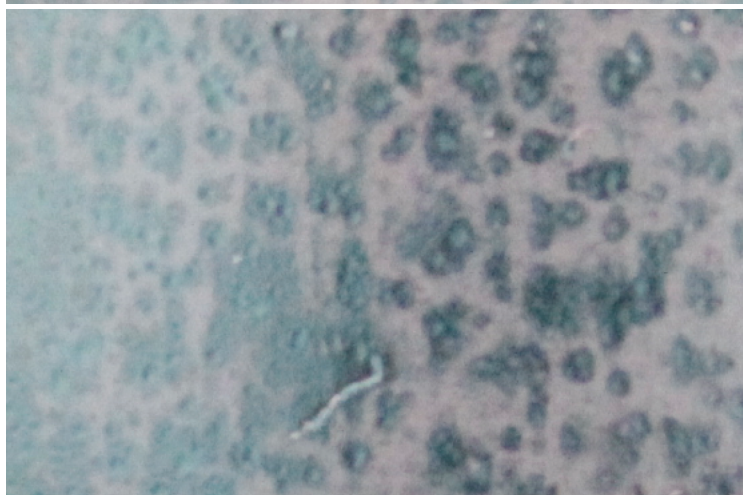

desfalecer  
em nada  
frestas  
de um eterno  
velho  
mundo

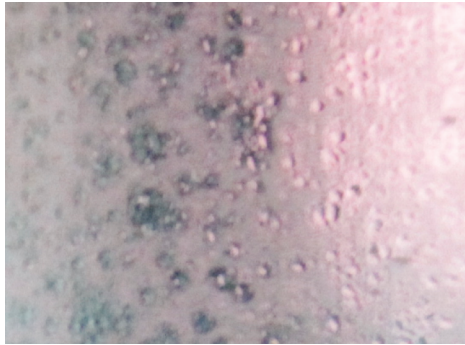

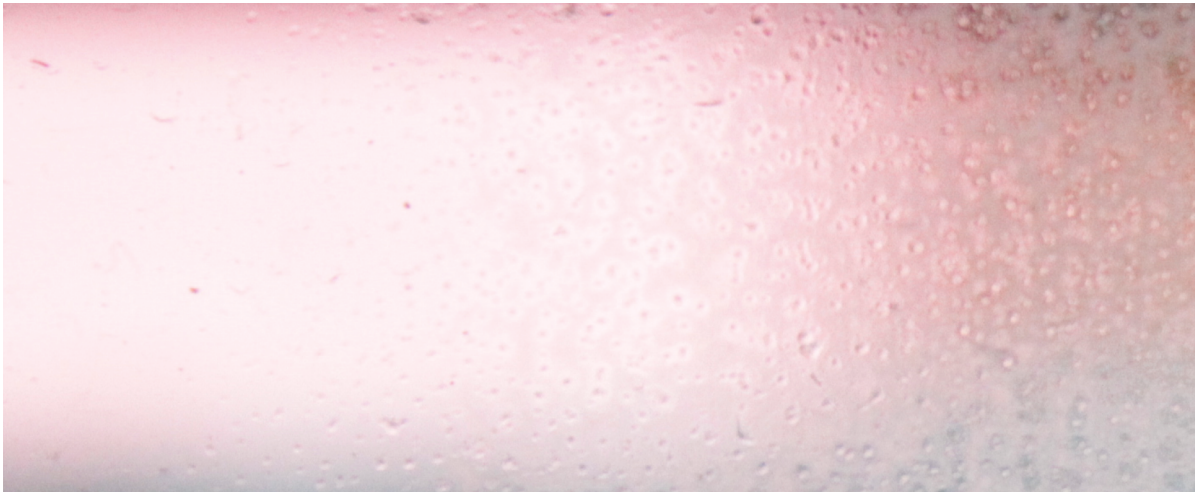

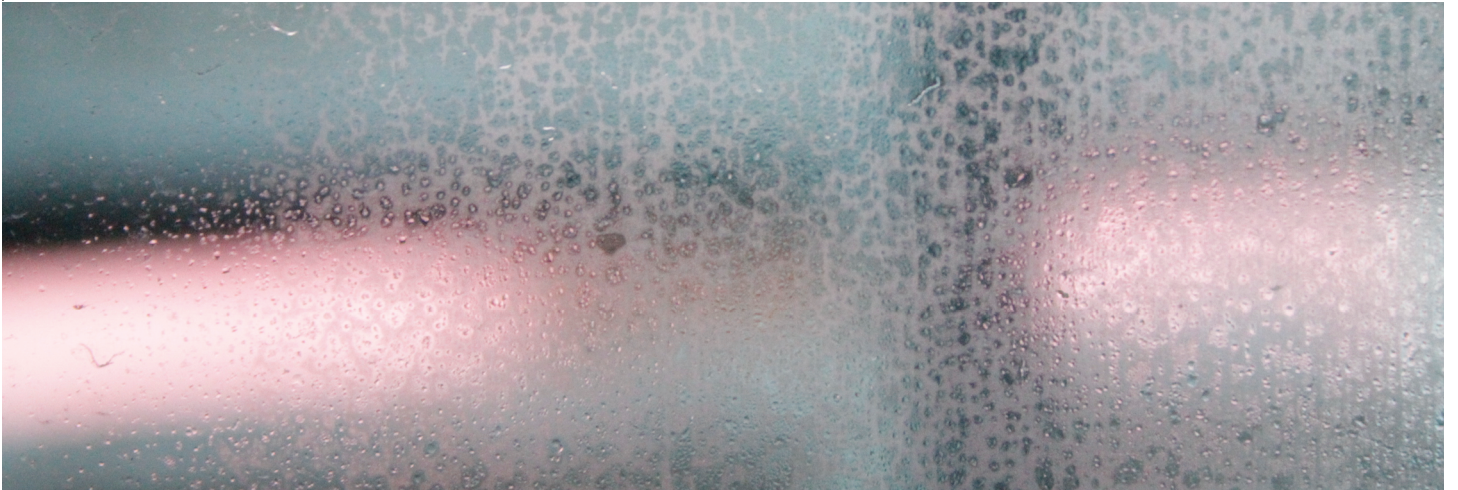

granulação virtual de um universo em composição  
ou só uma noite

só  
e  
janelas

com amor  
aos labirintos da alma
